

Entertain

Willow

It's mad, it's mad, it's mad, mad to be, mad

All your entertaining
Time and money wasted
Oh I know it's taken a toll (oh)
All your entertaining
Time and money wasted
Oh I know it's taken a toll

I ain't seen you in a minute
You gave me the side-eye
Had to get away
I got on a red-eye
When I'm talking to you
I want you to look into my eyes
Came all the way to see you from the west side
And my best friend said he gonna move to Bed-Stuy
I might hit the road
Will you come for the ride?
Tell me if it's real love or if it's time to sign out
I guess I'm 'a find out

All your entertaining
Time and money wasted
Oh I know it's taken a toll (oh)
All your entertaining
Time and money wasted
Oh, I know it's taken a toll

I ain't seen you in a minute
You gave me the side-eye
Had to get away
I got on a red-eye
When I'm talking to you
I want you to look into my eyes
3 AM I'm walking and the stars are in the sky
I gotta detach and they just always ask me why
Try to explain myself and it just really don't feel right
So what choice do I have if I'm tryna get through in the day?

All your entertaining
Time and money wasted
Oh I know it's taken a toll (oh)
All your entertaining
Time and money wasted
Oh, I know it's taken a toll

Top down in the hills
If you wanna ride with me then it's chill
Pure strength pure will
But you know I'm going in for the kill
Feel pain think I'm gonna reach my threshold
Feel rage 'cause they never understand no
No love for a nigga in this time zone
So what choice do I have when I'm tryna get through in the day?

All your entertaining

Time and money wasted
Oh I know it's taken a toll (oh)
All your entertaining
Time and money wasted
Oh, I know it's taken a toll
