

# Hey You!

Willow

Hey! Hey! Hey! Hey!  
Hey! Hey! Hey! Hey!  
Hey! Hey! Hey! Hey!

Hey you, with your earphones on in your bedroom  
And you're all alone (Hey you!)  
Hey you, on the catwalk  
With your high heels on  
But you're sad as fuck (Hey you!)  
I'm, I'm a joke, I'm gonna runaway, runaway  
Yeah, I'm the G.O.A.T., but people love me, love me  
I'm, I'm a joke, I'm gonna runaway, runaway  
Huh, I'm the G.O.A.T., but people love me  
(Hey! Hey!)

I just ran away from home  
I don't wanna go back  
They said, "Boy, you such a joke"  
I couldn't help but laugh  
Hey, hey, I'm a joke  
I'm a runaway, runaway  
Yeah, yeah, I'm the G.O.A.T., people loving me, loving me  
Hey You! I don't know if I wanna play you  
You should know that I'm gonna save you  
I don't wanna be the one to play you  
Hey you, yeah, you! (Hey! Hey!)  
I'm a joke, I'm a runaway  
I'm the G.O.A.T., people loving me  
I'm a joke, I'm a runaway  
I'm the G.O.A.T., people loving me  
(Hey! Hey! Hey! Hey!)  
Hey! Hey!

I was lying on the floor  
Now we finna raise the roof  
I was lying on the floor  
Now we finna raise the roof (Hey! Hey! Hey! Hey!)  
I was lying on the floor  
Now we finna raise the roof (Hey! Hey! Hey! Hey!)  
I was lying on the floor  
Now we finna raise the roof (Hey! Hey! Hey! Hey!)

Hey! Hey! Hey! Hey!  
Hey! Hey! Hey! Hey!
