

Like A Bird

Willow

Feel like a bird
As it perched in a tree
Feel like a knife
As it burrows into me

Love is not a game
Take my word for it, oh
Love does not explain
Take my word for it, oh

Feel like a bird
With a broken wing
Feel like a knife
As it cuts into me

Love is not a game
Take my word for it, oh
Love does not explain
Take my word for it, oh

Feel like a bird
As it perched in a tree
