

Lonely Road

Willow

I want to see the world through divine eyes
Cross the lake and fly into the sky
I might may be crazy
Or this world is shady
But I hope that you don't mind

'Cause I'll breathe alone
And I'll sleep alone
And I'll eat alone
And I'll laugh alone
'Cause I'm in the zone with my lovely bones
And you'll cry alone on the lonely road

'Cause I'll breathe alone
And I'll sleep alone
And I'll eat alone
And I'll laugh alone
'Cause I'm in the zone with my lovely bones
And you'll cry alone on the lonely road

Ah-ah-ah-ah-ah-ah-ah-ah, ah-ah-ah-ah-ah
(Lonely road, lonely road)
Ah-ah-ah-ah-ah-ah-ah-ah, ah-ah-ah-ah-ah
(Lonely road, lonely road)

Me and you see different sides of the moon
I'm on a star and you're on Neptune
Blue as the tears that fall from my eyes
Looking down on Earth as you monopolize

'Cause I'll breathe alone
And I'll sleep alone
And I'll eat alone
And I'll laugh alone
'Cause I'm in the zone with my lovely bones
And you'll cry alone on the lonely road

'Cause I'll breathe alone
And I'll sleep alone
And I'll eat alone
And I'll laugh alone
'Cause I'm in the zone with my lovely bones
And you'll cry alone on the lonely road

Ah-ah-ah-ah-ah-ah-ah-ah, ah-ah-ah-ah-ah
(Lonely road, lonely road)
Ah-ah-ah-ah-ah-ah-ah-ah, ah-ah-ah-ah-ah
(Lonely road, lonely road)
