Overthinking IT

Willow

One, two, three, four

Yeah, yeah
Wanna be here, I wanna be there
I'm overthinking it
I'ma need to breathe now, mmm
Yeah, yeah
I wanna be here, I wanna be there
I'm overthinking it
I'ma need to leave now, mmm

And I told you I do
I told you I do
I told you I do
Everything I need, mmm
But I know that sometimes
I know that sometimes
I'm crippled by my mind
I don't wanna be, mmm
Yeah, yeah

But I, I have so much work to do
Work to do, yeah
And I, I have so much love to give
Love to give

You wanna do this, you wanna do that
You're overthinking it
You just need to sit down, mmm
Yeah, yeah
You wanna be here, you wanna be there
Overthinking all the thoughts
You just need to chill now, mmm

And you told me you do
You told me you do
You told me you do
Everything I need, mmm
Yeah, yeah

But we, we got so much work to do, yeah
Work to do, yeah
Oh we, we, we got so much love to give, oh

If you fall, follow me underground
We can be anything that we want
You're praying to your God, you're praying to your God
After all, you can be anything that you want
You're a queen, I'm a king and
You're praying to your God, you're praying to your God

After all, you can be anything that you want
You're a queen, I'm a king
You're praying to your God, you're praying to your God
After all, you can be anything that you want
Anything
You're praying to your God, you're praying to your God

We, we got so much work to do, yeah
Work to do, yeah
We, we, we got such much love to give
Love to give, yeah

Ah, oh
