

See U Dance

Willow

I just wanna dance, I just wanna dance
I just wanna move, I just wanna move
I just wanna dance, I just wanna move
I just wanna shake, I just wanna shake
I just wanna groove, I just wanna groove
Right next to you, right next to you
I'm just tryna bump, I'm just tryna ride
I'm just tryna groove, I'm just tryna ride
I just wanna...
Shake, shake, shake
I just wanna move, and dance, and shake, and groove
And dance, and dance, and dance
Dance is foreign, dance is foreign, Gucci is foreign
Dance is foreign, just wanna move, shake, and bounce
I just wanna...
