

## Star

## Willow

Earth, our home  
Incubator of life  
Through our lines of life  
You recover the knowledge  
Hidden within our bodies and earth, herself  
To raise our brothers and sisters  
To a new state of consciousness

Oh-oh-oh, oh-oh-oh  
Oh-oh-oh, oh-oh-oh  
Oh-oh-oh, oh-oh-oh  
Oh-oh-oh, oh-oh-oh

I move, you move  
It's all the same we play these games  
We play them, we don't think about it  
'Cause I'm done, I'm done  
Tryna make it easier, make it easier  
For you, because nature's a battle  
And nobody ever handled it, the way our ancients did

My universe  
Just keeps on growin' and expandin'  
But you are my star, you are the star  
In my sky, I encompass your lights  
I inhabit the divine, I

I finally got a peace of mind  
And I'm holding on really tight  
And time, time's, time's not waiting  
For you and I, and I and I and I  
I'm feeling, I'm feeling  
That flight tonight  
To the sky  
Yea, I'm talkin' about a flight  
Into the night, into the night, into the night

My universe  
Just keeps on growin' and expandin'  
But you are my star, you are the star  
In my sky, I encompass your lights  
I inhabit the divine, I

Oh-oh-oh, oh-oh-oh  
Oh-oh-oh, oh-oh-oh  
Oh-oh-oh, oh-oh-oh  
Oh-oh-oh, oh-oh-oh

Oh-oh-oh, oh-oh-oh  
Oh-oh-oh, oh-oh-oh  
Oh-oh-oh, oh-oh-oh  
Oh-oh-oh, oh-oh-oh

My universe  
Just keeps on growin' and expandin'  
But you are my star, you are the star  
In my sky, I encompass your lights

I inhabit the divine, I

Oh-oh-oh, oh-oh-oh  
Oh-oh-oh, oh-oh-oh  
Oh-oh-oh, oh-oh-oh  
Oh-oh-oh, oh-oh-oh
