Willow

One, two, three, four  
Na-na-na-na, na-na, na-na  
Na-na-na-na

I don't fucking know if it's a lie or it's a fact  
All your little fake friends will sell your secrets for some cash (Hey, hey)  
Smile in my face, then put your cig out on my back  
If you ever see me, just get to runnin' like the Flash

I knew a boy just like you  
He's a snake just like you  
Such a fake just like you  
But I can see the truth

Transparent soul  
I can see right through, just so you know  
Transparent soul  
I can see right through, just so you know

Na-na-na-na, na-na, na-na  
Hmm-mm, mm-mm

I know you're not my enemy  
In my world there's moments seeing through the different lies  
It's all of diminishing  
But c'mon you know that Imma try to make it right  
All I want is the real baby  
Oh you want the same things say to me try  
Just pharisee  
Don't wear the mask I see through your eyes  
Yea you know me lost boy the lonely  
Fire envy burn through the night  
I will show you soon you'll be believing  
See through my soul baby let me burn in ya  
Now you got your wings  
They don't know my secrets you always know  
Put it all behind  
Know I cannot run and hide  
Oh, oh (Ooh, ooh)

It's clear to me now  
You're scared of me, wow  
It's clear to me now (Transparent soul)  
It's clear to me now  
You're scared of me, wow  
It's clear to me now (Transparent soul)

Transparent soul  
I can see right through, just so you know  
Transparent soul  
I can see right through, just so you know
