

# Why Don't You Cry

Willow

Why don't you?  
Why, why, why don't you cry-y-y?  
Why don't you?

Stuck in the mirror  
Never seeing clearer  
So open your eyes now  
It's getting cloudy  
I see your words, they're tryna get out  
Tryna get out

Why, why, why, why, why  
Why, why, why, why, why  
Why don't you cry?  
Why don't you cry?  
Why, why, why, why, why  
Why, why, why, why, why  
Why don't you cry?  
Why don't you cry?

So stuck in the mirror  
Start getting clearer  
When I close my eyes, I  
I can see the sky at night  
Past the blue and the ozone layer  
Past the polluted atmosphere  
Nothing is more important than our connection  
Me and the mother  
Singing the universal song  
Calling each other  
Why don't we all just sing along?

Why, why, why, why, why  
Why, why, why, why, why  
Why don't you cry?  
Why don't you cry?  
Why, why, why, why, why  
Why, why, why, why, why  
Why don't you cry?  
Why don't you cry?

Why don't you?  
Why, why, why don't you cry?  
Why, why, why don't you?  
Why, why, why, why?  
Why don't you... Cry!

Why, why, why, why, why  
Why, why, why, why, why  
Why don't you cry?  
Why don't you cry?  
Why, why, why, why, why  
Why, why, why, why, why  
Why don't you cry?  
Why don't you cry?
