

Woods

Willow

Haha haa hahaha

By myself, in the woods
Just the sound of the distant water
And Erykah Badu

Just the scent
Just a word
The vibrations you're sending baby
They're not good

Just a scent
Ooh - just a smell
Ooh - just a feeling
Ooh - I can't help it and now

Creativity
In my veins
The multiplicity, it speaks to me
In my brain

Ooh... ooh... o-ooh... mmh!
Alone!
In the woods
Nothing else but the sound of water
And Erykah Badu
Just a taste!
Mmh! Just a taste
Ooh - just a peak of the higher state of being

(Hahahaha...)
