Let's Kiss And Make Up

Wilson Pickett

I'm tired of being lonely
I wanna be loved
I miss your good lovin', baby
I need you here by my side

You know it hurt me to my heart
Every moment that we're apart
I'm sorry that I did you wrong
I can't stand this feat alone
Ah, it's just too much
Let's kiss and make up

I'm tired of being lonely, lonely, lonely
I want to be kissed
Let me hold you in my arms baby
And make up for the time we missed

You know it hurt me to my heart
Every moment that we're apart
I'm sorry that I did you wrong
I can't stand this feat alone
Ah, it's just too much
Let's kiss and make up
Yeah

I'm tired of being lonely, lonely, lonely
I want to be kissed
Let me hold you in my arms baby
And make up for the time we missed

You know it hurt me to my heart
Every moment that we're apart
I'm sorry that I did you wrong
I can't stand this feat alone
Ah, it's just too much
Let's kiss and make up

Ah, come on
Yeah
I want to kiss you
I want to hug you
I want to hold you in my arms
Come on
Come on baby
I love you baby
'Cause you got a thing goin' for ya
