

# Nothing You Can Do

Wilson Pickett

Uh!

Nothing you can do, girl, to turn me around, oh lord  
Don't care how many time you tell me  
You don't want me around, oh no

You can hurt my feeling, you can make me feel bad  
I'm so in love with you, woman  
You're somethin' I never had, woah!

Nothing you can say, woman, to make me change my way  
Your love, your love gets sweeter day by day

You can hurt my feeling, you can make me feel bad  
I'm so in love with you, woman  
You're somethin' I never had, woah!

Tried it once, you tried it twice  
Your friends even gave you advice  
They said it wasn't right to treat me nice  
Oh Bella, claim you don't lie  
You don't lie, you don't lie, woah!

I know you didn't mean it, you know it's true, now  
Not if we got an understandin'  
Let's see what a-we can do, now  
I'm gonna get up, buy an apartment  
Where the water runs hot and cold  
Now that I got myself a good girl to satisfy my soul

Uh!

Ow, hooked me one  
She never go home, uh!  
Just like a ball of fire  
Deep down within me, uh!
