

## Back On The Road

Wind And Fire Earth

Time to get back on the road  
Gonna leave these troubles behind  
Time to carry the load  
what my life is a true design  
You won't reach me by phone  
I'll be moving round between the line  
Time to get back on the road  
Gonna mend this heart of mine

Don't you cry, when I say goodbye  
Baby, baby, carry on  
Don't you cry, when I say goodbye  
Cause baby, you're not alone

The love that we shared was grand,  
but not enough to keep me still  
I hope someday you understand  
Music gives my heart, a thrill

Don't you cry, when I say goodbye  
Baby, baby, carry on  
Don't you cry, when I say goodbye  
Cause, baby, you're not alone

Since the day that my life began  
A band has been my true life plan  
Time to get back on the road  
Feel the music, take the stand  
You are my true love,  
Still there will be no one, to take your place  
This feeling, I can't erase.  
Got to move and have my space

Don't you cry, when I say goodbye  
Baby, baby, carry on  
Don't you cry, when I say goodbye  
Cause, baby, you're not alone
