Wind And Fire Earth

Feelin, happy feelin' in the music  
that we're giving, feel the power  
of the hour, every moment, that  
you're living...

Little babies, tell the story,  
mother-nature, and its glory,  
share the feelin, with your brother,  
don't stop caring, one another...  
There's a reason, that we pleasing,

life's a burnin'...
