

# Make It With You

Wind And Fire Earth

Ah, ah, ah, we can make it  
We can make it, yeah

Hey, have you ever tried  
Really reachin' out for the other side  
I may be climbin' on a rainbow  
But, baby, here it goes

Dreams are for those who sleep  
Life is for us to keep  
If you're wondering what this all is leading to  
Ooh, hey, I'd like to make it with ya  
I really think that we can make it, babe

No, you don't know me well  
And every little thing only time will tell  
If you do the things that I do  
Ooh, we'll see it through

Life can be short and it can be long  
Love can be right or wrong  
If I had to choose just one to see me through  
And, hey, I'd like to make it with ya  
I really think that we can make it, babe

Ah, ah, ah, we can make it

No, you don't know me well  
And every little thing only time will tell  
If you do the things that I do  
Ooh, we'll see it through  
And I wanna make it, yeah

Ah, ah, ah, we can make it  
We can make it, yeah  
Ah, ah, ah, we can make it  
We can make it, yeah

Aww, put your hands together  
Put your hands together  
Put your hands together  
Put your hands together  
Get your heart together
