Peace, Peace to all the wonderful people in the east, West, North & South
Yea, - EWF comin at ya '96 style

Mo Pleasure chords towards groovin' yours
We mash up St. Marteen (and it's all good)

We dig each gig together

Lets live this big forever
Ain't no limits on Night Flyin oow

Teddy bear rock steady
Every bodys out their seat
World Wide live ya'll make it bang

We dig each gig together
gettin downs the business
