

## Yearnin', Learnin'

Wind And Fire Earth

Once upon a time, a child was born  
With a light, to carry on,  
Didn't know what he had to be, had a feelin'  
He was bound to see...

So the streets, he fled to shine  
In a world of a different kind,  
As he yearn, so he learn.

Stop! Look what's behind you  
Fame and love gonna find you  
We're just here to remind you  
Yearn and learn is what you do.

He just felt so, good inside  
Watchin' people come alive  
Throbbin' rhythm and it stirs your soul  
Melodies of joy unfold...

Gives your heart such a special treat  
Clap your hands, stomp your feet...  
As we yearn, so we learn.

Stop! Look what's behind you  
Fame and love gonna find you  
We're just here to remind you  
Yearn and learn is what you do.
