

# Without Me

Wind Walkers

Found you when your heart was broke  
I filled your cup until it overflowed  
Took it so far to keep you close (Keep you close)  
I was afraid to leave you on your own

I said I'd catch you if you fall (Fall)  
And if they laugh, then fuck 'em all (All)  
And then I got you off your knees  
Put you right back on your feet  
Just so you could take advantage of me

Tell me, how's it feel sittin' up there?  
Feeling so high, but too far away to hold me  
You know I'm the one who put you up there  
Being in the sky, does it ever get lonely?  
Thinking you could live without me  
Thinking you could live without me  
Baby, I'm the one who put you up there  
I don't know why (Man, I don't know why)  
Thinking you could live without me  
Thinking you could live without me  
Baby, I'm the one who put you up there  
I don't know why (I don't know why)

Gave love 'bout a hundred tries (Hundred tries)  
Just running from the demons in your mind  
Then I took yours and made 'em mine (Mine)  
I didn't notice 'cause my love was blind

I said I'd catch you if you fall (Fall)  
And if they laugh, then fuck 'em all (All)  
And then I got you off your knees  
Put you right back on your feet  
Just so you could take advantage of me

Tell me, how's it feel sittin' up there?  
Feeling so high but too far away to hold me  
You know I'm the one who put you up there  
Being in the sky, does it ever get lonely?  
Thinking you could live without me  
Thinking you could live without me  
Baby, I'm the one who put you up there  
I don't know why (Man, I don't know why)  
Thinking you could live without me  
Thinking you could live without me  
Baby, I'm the one who put you up there  
I don't know why, yeah

You don't have to say just what you did (just what you did)  
I already know (I know)  
I had to go and find out from them (Oh-woah)  
So tell me, how's it feel? (Oh-woah)

How's it feel to be  
So blind looking down from your throne  
You fucking made it  
Yea you're flexing on a mountain of bones

Who would have thought  
You could bare it knowing just what you did  
When you stabbed me in the back  
Just tell me how does it feel bitch

Thinking you could live without me  
Thinking you could live without me  
Baby, I'm the one who put you up there  
I don't know why (Yeah, I don't know why)
