

# Seventeen

Winger

Yeah, I saw sparks fly  
From the corner of my eye  
And when I turned  
Ooh, it was love at first sight

I said, please excuse me  
I didn't catch your name  
Oh, it'd be a shame  
Not to see you again

And just when I thought she was comin' to my door  
She whispered sweet and brought me to the floor  
She said

I'm only seventeen (seventeen)  
But I'll show you love like you've never seen  
She's only seventeen  
Daddy says she's too young, but she's old enough for me

Mmm, come to my place  
We can talk it over  
Oh, everything  
going down in your head

She said take it easy  
I need some time  
Time to work it out  
To make you mine

And just when I thought she was comin' to my door  
She whispered sweet and brought me to the floor  
She said

I'm only seventeen (seventeen)  
You ain't seen love, ain't seen nothing like me  
She's only seventeen  
Seventeen

Such a bad girl  
Loves to work me overtime  
Feels good, ha  
Dancing close to that borderline

She's a magic mountain  
She's a leather glove  
Oh, she's my soul  
It must be love

I'm only seventeen (seventeen)  
Girl, she gives me love like I've never seen  
She's only seventeen (seventeen)  
Daddy says she's too young, but she's old enough for me (seventeen)  
She's everything I need (seventeen)  
Daddy says she's too young, but she's old enough, old enough for me  
Yeah, yeah, yeah
