

# Skin Tight

Winger

Two burning wheels on the highway  
I'm out tonight to shed my skin  
Daddy's girl ain't looking for me  
Out to find the body of sin

At midnight, I found my dream  
And in a rut busting at the seam  
Desire, on fire, over me

So Skin Tight  
Never seen her, Never seen her  
So Skin Tight, yeah

Rev it up, oh so mean  
I'm like a dog in a rabid dream  
But stay cool, don't give it away  
Some girls can smell that a mile away

Straight to heaven, she sends me  
My blood 103  
Desire, on fire, over

So Skin Tight  
Never seen her, never seen her  
So Skin Tight  
I've never seen her, never seen her  
It's never enough, never enough  
Never seen her

Straight to heaven, she sends me  
My blood 103  
An animal busting at the seams

Skin Tight  
Never seen her, never seen her  
So Skin Tight  
Oh, Skin Tight  
Skin Tight  
Never seen her, never seen her  
It's never enough, never enough  
Oh, Skin Tight
