

## For a Girl in Rhinelander, WI

**Wingnut Dishwashers Union**

Well there's a girl in Rhinelander who needs Kathleen Hanna  
'Cause she doesn't think that girls can sing rock 'n' roll song  
s.

Well I don't think they got Bikini Kill records in small town  
Wisconsin record shops, but that's where they need them now mor  
e than ever.

So if there's still girls still growing up in this world  
To believe they can't sing rock 'n' roll,  
I don't wanna live in this world anymore.  
And no I don't wanna live in this world anymore.
