

Lazy Dynamite

Wings

Oh lazy dynamite
Oh lazy dynamite
Oh lazy dynamite
Oh lazy dynamite

Won't you come out tonight
When the time is right
Oh will you fight that feeling in your heart
Don't you know that inside
There's a love you can't hide
So why do you fight that feeling in your heart

Oh lazy dynamite
Oh lazy dynamite
Oh lazy dynamite
Oh lazy dynamite

Oh why do you fight that feeling in your heart
Don't you know that inside
There's a love you can't hide
So why do you fight that feeling in your heart

Oh lazy dynamite
Oh lazy dynamite
Oh lazy dynamite
Oh lazy dynamite

Doo doo doo
