

Waterspout

Wings

Daddy loved a dancer
Though she never gave an answer
He used to follow her all about
Still, she couldn't shake him
She didn't seem to make her mind up
'Til he took her to the waterspout

Love comes in, love comes out
At the bottom, at the bottom of the waterspout
Whoa, whoa, whoa
Love comes in, love comes out
At the bottom, at the bottom of the waterspout

Woody wouldn't do it
But they said he never blew it
He didn't know what was hanging out, whoa
'Til he got an answer
Out of daddy's dancer
When she took him to the waterspout

She said love comes in, love comes out
At the bottom, at the bottom of the waterspout
Whoa, whoa, whoa
Love comes in, love comes out
At the bottom, at the bottom of the waterspout

Only love can get you at it and in a minute
You will find yourself swimming in it
Only love can catch you up today
And take your breath away
Make you wanna say what you're thinking of
It's only love down at the bottom
Down at the bottom of the waterspout

Love comes in, love comes out
At the bottom, at the bottom of the waterspout

Daddy couldn't stand it
Said Woody was a bad bandit
And they were knocking each other out, whoa
'Til the little dancer
Came up with another answer
She took them to the waterspout!

Said love comes in, she said love comes out
At the bottom, at the bottom of the waterspout
Whoa, whoa, whoa
Love comes in, yeah, love comes out
At the bottom, at the bottom of the waterspout

Only love can get you at it and in a minute
You will find yourself swimming in it
Only love can take your breath away
And catch you up today
Make you wanna say what you're thinking of
Only love down at the bottom
Down at the bottom of the waterspout

Whoa, only love
At the bottom, at the bottom of the waterspout
Well, the love comes in, said, love comes out
Down at the bottom, down at the bottom of the waterspout
Whoa, whoa, whoa, love, love, love, love, love, love
At the bottom, at the bottom of the waterspout
Makes you wanna do what you're thinking of
Said, now, only love
Oh, at the bottom, oh, at the bottom of the waterspout
Whoa, whoa, whoa
Love comes in, love comes out
