Let's promise each other
I can't be just friends
Let's make this clean
Ah yeah

Sometimes, it's so cruel
Without love
We're just strangers
Ah yeah

I'm not sorry
I feel relieved
Finally, I have a lot of time for myself
But now what do I do?

Reset, set, set
Once again going back to being a bad, bad, bad boy
Go back when I push you away
PC rooms instead of movie theaters
Don't look for me on the weekends
New encounters, where should I go?
I start whistling out of nowhere

Even if we loved
Like in the movies
I don't like open endings

I don't wanna cry and cry
Like those main characters
And regret it
Ah yeah

Let's promise each other
I can't be just friends
Let's make this clean
Ah yeah

Sometimes, it's so cruel
Without love
We're just strangers
Ah yeah

Ah yeah, disappear
Ah yeah, before my eyes

Now bye bye
I'm putting out scissors
I know you can't stand to lose
I'll cut the ties, with nothing left

I'm like a crab
As soon as it's over, I'm letting out the pincers
But I'm holding onto you
And I'm hardening up, like loving to death

Even if we loved
Like in the movies
I don't like open endings

I don't wanna cry and cry
Like those main characters
And regret it
Ah yeah

Let's promise each other
I can't be just friends
Let's make this clean
Ah yeah

Sometimes, it's so cruel
Without love
We're just strangers
Ah yeah

I don't care about your tears of blood
I don't care, I was always like this

The nice fool you once knew is no longer here, oh no

I don't care, even if I become
I don't care, a trash person to those around you

Just swear at me
With no regrets
Ah yeah

(It's over)

Let's promise each other
I can't be just friends
Let's make this clean
Ah yeah

(It's over)

Sometimes, it's so cruel
Without love
We're just strangers
Ah yeah
