Baby I was a fool
I was a fool

Get lost from my sight
Those cruel words
I spat out without hesitation
Anyone can see
I was a fool
Even if I'm sorry now
Nothing changes
I know

It's okay to swear at me
Even that's not good enough
I just wanna hear your voice

Fool, stupid
I now know it's all my fault
Dummy, idiot
I now know it's all my fault
Baby I was a fool
I was a fool

I said
I was selfish
Only knew myself
I think I'm crazy
It's me who pushed you away
Oh I was a fool
Oh baby I was a fool
Even if I regret it now
Nothing changes
I know

I don't care if it's just a short moment
If only I could you once more
For the last time

Fool, stupid
I now know it's all my fault
Dummy, idiot
I now know it's all my fault
Baby I was a fool
I was a fool

You used to dazzle and now you're far away
Going through the scattered memories
I long for you every day
Yes I know I'm late late
Please come back as if nothing happened baby
You used to dazzle and now you're far away
Going through the scattered memories
I long for you every day
Yes I know I'm late late
Please come back as if nothing happened oh baby

Fool, stupid
I now know I'm so stupid

Fool
Fool, stupid
I now know it's all my fault
Dummy, idiot
I now know it's all my fault
Baby I was a fool
I was a fool
