We walked endlessly
Following the faraway
And smiling light wanting to
Get out of the darkness and smile brightly as well
My gun is always pointed to the top
So I can shoot the ones who are bigger than me
I'll treat this stage like a landing strip
So I can jump with a flashy flight
I'm not born with it so my constant effort is my weapon
They say that still waters run deep and grow more
Going over the black lines I drew with my
Pen in front of my door when I was young

We fall down, clash, get scarred
And get a hole in our hearts
But we don't need tears even if we
Fall down hundreds of times

We'll get up, we'll go up

Throw all your worries to the sky, blow up
You have us, get up
Take each others' hands and put them up, hands up
We will win over it all

Yeah, we'll go up! Uh uh uh up!
Uh uh uh up! Uh uh uh up!
(Let's go up to the sky, we'll go up)
Yeah, we'll go up! Uh uh uh up!
Uh uh uh up! Uh uh uh up!
Yeah, we'll go up!

I dream but I don't sleep
I sell my youth for success
Pieces of glass in my shoes
Everytime I walk, I make stamps with red ink, right
Even if friendship is ripped in half
Fond attachment will remain
I step on top of them but support them at the same time
We'll link all 110 fingers and go up, go up

We came up without fear
Chasing after the shining stars above
Because I wanted to shine like the
Stars of the dark night sky
I go up on the narrow staircase

Each step I take, I sway
Though it gets heavy
There's no other way for us
Even if we fall down hundreds of times
We get up, we'll go up

Throw all your worries to the sky, blow up
You have us, get up
Take each others' hands and put them up, hands up
We will win over it all

Yeah, we'll go up! Uh uh uh up!
Uh uh uh up! Uh uh uh up!
Yeah, we'll go up! Uh uh uh up!
Uh uh uh up! Uh uh uh up!
Yeah, we'll go up!

Our life is a drama, this
Moment is the highlight
Hoping for a happy ending as
We go on top of the camera
In the end, it's the same, the
Important thing is you and me
Nothing to lose, nothing to gain
Let's all go up together

Throw all your worries to the sky, blow up
You have us, get up
Take each others' hands and put them up, hands up
We will win over it all

Yeah, we'll go up! Uh uh uh up!
Uh uh uh up! Uh uh uh up!
Yeah, we'll go up! Uh uh uh up!

Uh uh uh up! Uh uh uh up!
Yeah, we'll go up!
