Yeah, I'm tough, yeah I'm the trend
Yeah, I'm tough, yeah I'm the trend
What's up, that's me
I'll throw up my hands as a guard
My life is stronger than a diamond
Beyond anyone's imagination
Cooking my rap at the YG kitchen
Hungry MCs can just go stave off starvation
If you like this song, then shove it down your throat
But I'm raw, I'll flip everything over

If it's no fun, I have no interest, nothing
Use the sun as my mirror, it's a good morning
When everyone else is running, I scoff as I jog
If your spot goes missing, I'm the culprit

Yeah, I'm him, yeah, I'm him, dude
Yeah, I'm him, yeah, I'm him, dude
Yeah, I'm tough, yeah I'm the trend

Uh oh, everyone shh (why)
Be careful in front of the house 2
Uh oh, everyone shh (why)
Be careful in front of the house boom

I am freshly born again
This calculating rap is technology
When teletubbies take over the TV at your house
I'm the Pavarotti that makes the princesses sleepless
Say ho ho ho bow wow
I took off and threw away my leash
I'll dig only at one spot, I'll be a star in the sky now
You'll uselessly dig, lay down and just count the stars in the sky

They say a mother's hand is medicine but oh my
My hands are magic, A drenched t-shirt
A rising curve drawn out by sweat marks

If it's no fun, I have no interest, nothing
Use the sun as my mirror, it's a good morning
When everyone else is running, I scoff as I jog
If your spot goes missing, I'm the culprit
