A chaebol-like life, billi
I buy everything I want, checking
Books I enjoy reading, wallet
Of course, this was before I met you
How much is your heart?
Even VIPs can’t buy it
I even take out my most treasured card
Buying your favor exceeds the maximum spending limit

I know that you’re too good for me, yeah
Of course, looks aren’t everything, yeah
You’re not like the others, you’re pure, yeah
Today I overspend my heart for you

Looking at your attractive body makes me gasp
Luxury, luxury, luxury, oh oh
In front of you, even all designer brands are bubbles
Luxury, luxury, luxury, oh oh

Even if I’m a billionaire, you’re too much of a luxury
Because the heart can’t be bought with money
If you’re ok with this kind of me
Today I’m going to indulge, indulge, indulge

My bank account balance is in a crisis
I borrow money from here and there
But why are you buying the fried chicken
Don’t worry about me anymore
You’re a wave that brims over the plate that is me
Falling asleep in a bus and going all the way to the last stop
Our valuable memories that can’t be ridden in an expensive car
Precious moments mount up thanks to you, like mileages

I know that you’re too good for me, yeah
Of course, looks aren’t everything, yeah
You’re not like the others, you’re pure, yeah
Today I overspend my heart for you

Looking at your attractive body makes me gasp
Luxury, luxury, luxury, oh oh
In front of you, even all designer brands are bubbles
Luxury, luxury, luxury, oh oh

Even if I’m a billionaire, you’re too much of a luxury
Because the heart can’t be bought with money
If you’re ok with this kind of me
Today I’m going to indulge, indulge, indulge

Baby, you’re a diamond that kills all men
Baby, you’re my forever first in rank
Can I really have you?
Honestly, I’m slightly worried

But baby say, “Yes”
I want you to say, “Yes”
I’ve put my pride, the only thing I have, on the line
You just need to say one thing, say, “yes”

Looking at your attractive body makes me gasp
Luxury, luxury, luxury, oh oh
In front of you, even all designer brands are bubbles
Luxury, luxury, luxury, oh oh

Even if I’m a billionaire, you’re too much of a luxury
Because the heart can’t be bought with money
If you’re ok with this kind of me
Today I’m going to indulge, indulge, indulge
