□ □□□

Really really really really  
Oh wah  
Really really really really

Where are you? home?  
If you're not busy, come out  
I'm in front of your house  
Wanna tell you something  
Don't know how to say it but  
It's nothing weird, no pressure

The most beautiful thing in my eyes right now  
Is you lady  
If my feelings for you were money  
I'm a billionaire  
I like you

Really really really really  
Accept my heart oh wah  
Really really really really  
I like you  
Really really really really  
Accept my heart oh wah  
Really really really really  
What do you think about me?

A cool goal  
A ceremony like a propose  
Let's choose our pet names  
Honey or baby or darling  
It tickles my stomach just thinking about it  
I'm nervous  
I need alot of alcohol  
I may be big  
But I grow small in front of you  
Do you know how I feel?

At first sight  
Falling in love like I'm slipping  
The criminal who stole my heart (it's you)  
You're so beautiful  
Even goddesses are jealous of your beauty  
My heart trembles like a vibration (brrr)  
Your fatal charms are killin' me  
You're sexy  
Provoking me like hot chili  
Don't misunderstand  
I'll truly fill up your empty glass

The most beautiful thing in my eyes right now  
Is you lady  
If my feelings for you were money  
I'm a billionaire  
I like you

Really really really really  
Accept my heart oh wah  
Really really really really  
I like you  
Really really really really  
Accept my heart oh wah  
Really really really really  
What do you think about me?

If I made you uncomfortable  
Just let me know  
I'll take a step back  
Just be a guy you know  
I can wait  
Tell me you think you like me too  
Let's meet right now  
I have something to tell you  
I like you

Really really really really  
Trust me oh wah  
Really really really really  
I like you  
Really really really really  
Accept my heart oh wah  
Really really really really  
What do you think about me?  
I like you  
Really really oh yeah  
I like you
