This feeling that comes to me
Every night without fail
For some reason I hate it
Then I try calling you again
Just in case you're feeling the same thing as me
I'm sentimental right now
I only state at the ceiling
Even if I draw
On a blank wallpaper
I'm slightly sentimental
My tiny room
Is so wide today
For me to lie alone in

Bedtime story
Sing me a lullaby
Even if I want to sleep
The sheep keep running far away
The sounds of windows bumping
Into each other sound like thunder
Scaring me tonight
The clock strike midnight

Even if the moon greets me
I'm not that glad to see it today
Shaking my head makes me dizzy
There's no one near me
My feelings are low but
I want to go to space
Who can understand this
I want to die. I don't mean it

This feeling that comes to me
Every night without fail
For some reason I hate it
Then I try calling you again
Just in case you're feeling the same thing as me

I'm sentimental right now
I only stare at the ceiling
Even if I draw
On a blank wallpaper
I'm slightly sentimental
My tiny room

Is so wide today
For me to lie in alone

I just want o be a star
That floats in the sky
It doesn't do anything
But shine on its own
My heart that became dark
With the night that became dark
I'm lonely, I'm precarious
Who will hug me?

I turn on jazz music
That doesn't suit this, like Ray Charles
As if I' getting drenched in rain
The sound of music resonates
From my ears to my toes
Be careful, be careful, of SNS
Don't post nonsense from getting drunk in emotion
Don't call your ex-girlfriend
With a hot-blooded heart

This feeling that comes to me
Every night without fail
For some reason I hate it
Then I try calling you again
Just in case you're feeling the same thing as me

I'm sentimental right now
I only stare at the ceiling
EVen if I draw
On a blank wallpaper
I'm slightly sentimental
My tiny room
Is so wide today
For me to lie in alone

I can't catch you
Even if I regret it now
I can't see you
No matter how much I try
We won't be able
To be happy forever, right?

I'm sentimental right now
I only stare at the ceiling
Even if I draw
On a blank wallpaper
I'm slightly sentimental
My tiny room
Is so wide today
For me to lie in alone

This feeling that comes to me
Every night without fail
For some reason I hate it
