

# Chemicals

Winona Oak

They say it's done when it 's done but I run  
Still chasing that moment  
I never felt that way about someone  
Like my chest was wide open

Now I'm trying my best to survive  
But I see you in every sunrise  
And my paper heart is on fire

Yeah I'm coming  
I'm coming off your chemicals  
Chemicals  
I know it's only temporal  
Sensual  
But I still got you  
In my blood  
In my body  
And I know it's bad  
But I want you back again

Oh ah eh ah  
I want your body like  
Oh ah eh ah  
I want you back again  
Oh ah eh ah  
I want your body like  
Oh ah eh ah  
I want you back again

I wonder if you're with somebody else  
Do you take her to our spot  
Was it easy to forgive yourself  
For messing it all up

I keep trying my best to survive  
But I see you in every twilight  
And my paper heart is on fire

Yeah I'm coming  
I'm coming off your chemicals  
Chemicals  
I know it's only temporal  
Sensual  
But I still got you  
In my blood  
In my body  
And I know it's bad  
But I want you back again

Oh ah eh ah  
I want your body like  
Oh ah eh ah  
I want you back again  
Oh ah eh ah  
I want your body like  
Oh ah eh ah  
I want you back again
