

# I Broke Me First

Winona Oak

I crashed again  
Can't comprehend  
Why I do this to myself  
Come build me up  
I'll break me down  
And I don't need no one else

You can't fix my heart  
But you don't have to worry  
I'm safer in the dark  
And I don't want no remedy

I broke me first  
I can't get hurt  
Any worse  
Than I hurt me  
I broke me first  
I can't get hurt  
Any worse  
Than I hurt me  
Ohh  
Ohh  
Ohh  
Ohh

I drown in your eyes  
See a perfect a life  
And for a minute I forget  
That

You can't fix my heart  
But you don't have to worry  
I'm safer in the dark  
And I don't want no remedy

I broke me first  
I can't get hurt  
Any worse  
Than I hurt me  
I broke me first  
I can't get hurt  
Any worse  
Than I hurt me  
Ohh  
Ohh  
Ohh  
Ohh

You can't  
Hurt me (hurt me)  
Hurt me (hurt me)  
Hurt me (hurt me)  
Hurt

You can't  
Hurt me (hurt me)  
Hurt me (hurt me)

Hurt me (hurt me)  
Hurt

You can't  
Hurt me (hurt me)  
Hurt me (hurt me)  
Hurt me (hurt me)  
Yeah

You can't  
Hurt me (hurt me)  
Hurt me (hurt me)  
Hurt me (hurt me)  
Yeah
