

Amerika

Wintersleep

Lover don't be sad
Think of the time we've had
The moment's truer now
It won't last

I don't want to wave goodbye
Shout out a thousand times
I'll love you until the moment dies

What am I gonna do?
I can't survive on my Amerika
If the worst is true
Is it just a waste of time?
What am I trying to find?
Are you alive, oh my Amerika?
Perennial with the Earth
And freedom, love, and law, and life
Perennial with the Earth
My freedom, I don't want to die

Swimming in an unmade cloud
Drinking in a formal gown
You tell me that you love to dance
But you don't know how

It doesn't mean that we can't try
Fix me in your twilight eyes
So we can make a moment last

What am I gonna do?
I can't survive on my Amerika
If the worst is true
Is it just a waste of time?
What am I trying to find?
Are you alive, oh my Amerika?
Perennial with the Earth
And freedom, love, and law, and life
Perennial with the Earth
My freedom, I don't want to die

Perennial with the Earth
And freedom, love, and law, and life
Perennial with the Earth
My freedom, I don't want to... die
