

## Damage

Wintersleep

I wrap your eyes  
The bandages are on too tight  
Your perfect skin

Will be damaged  
Will be damaged  
Will be damaged  
Will be damaged

You're feelin' low  
Tired, heavy organ  
Bleedin'

The bandages won't stick  
Won't cover it  
Won't wrap your eyes  
Won't wrap your eyes

Your perfect skin  
Won't be the same
