

Shadowless

Wintersleep

On the way outside
On the way outside, you were
Wide awake
Wide awake, so sure
You were right
You were right all along
Who deserves
Who deserves your love?

Who are you hiding it for?
(Who are?)
(Who are?)
(Who are?)
(Who are)
(Who are?)
(Who are?)
(Who are?)
(Who are)
(Who are)

Who are you hiding it for?
(Who are?)
(Who are?)
(Who are?)
(Who are)
(Who are?)
(Who are?)
(Who are?)
(Who are)
(Who are)

Your apple eyes
Your apple eyes cut for
Another one
Another one, so sure
Who preserves
Who preserves your love?
Who deserves
Who deserves your love?

Who are you hiding it for?
(Who are?)
(Who are?)
(Who are?)
(Who are)
(Who are?)
(Who are?)
(Who are?)
(Who are)
(Who are)

Who are you hiding it for?
(Who are?)
(Who are?)
(Who are?)
(Who are)
(Who are?)
(Who are?)
(Who are?)
(Who are)
(Who are)

And his shadow is
His shadow is
Hovering inside of you
(Ooh. Ahh)
And I'm coming in
I'm coming in
Coming in, in spite of you
(Ooh. Ahh)

And his shadow is
His shadow is
Hovering inside of you
(Ooh. Ahh)
And I'm coming in
I'm coming in
Coming in, in spite of you
(Ooh. Ahh)

'Cause you are wrong

His shadow is, his shadow is
I'm coming in, I'm coming in
His shadow is, his shadow is
I'm coming in, I'm coming in
His shadow is, his shadow is
I'm coming in, I'm coming in
His shadow is, I'm shadowless
I'm coming in, I'm coming in
(For you)
I'm coming in, his shadow is
(For you)
His shadow is, I'm coming in
(For you)
I'm coming in...
(For you)
(For you)
(For you)
