

Stormy

Wipers

Hello rain - so good to see you now Wash away - for I hold you
now Let's slip away - getting stormy out

Wash away - the blues you feel now Push ahead - you're my true
friend now - push ahead

It's getting stormy out - you need a change Feeling stormy now
- no need to stay

Wash away - for I'll hold you now No need to stay - getting sto
rmy day

It's getting stormy out - you need a change Feeling stormy now
- no need to stay

Wash away - the blues you feel now We should cast this sail - t
he wind is with us now No need to stay - getting stormy now
