The Herd

Wipers

Now I live with one regret I didn't stop and light your cigaret
te And take the time just to let you in On a dark secret I've s
een watching begin

I watch them drive you in an endless pen All you do is stop – t
hey'll let you in I can't hold you back if you wanna go They sa
y they'll take you where the green grass grows Just take a walk
 down – the grazing's fine I can't help it if it's just a matte
r of time

Can you take on more tip this time Don't worry about it folks '
cuz it's on my dime Just take a look now at what you see I just
 hope it ain't a reflection you see I'll let your noose loose f
or just this time
