

All Fours

Wire

Sensitivity levels, confusion limits
The density of unresolved ideas
In the field of view, energy emits
A fluxus level ride of evolution

Rethinking strategies
Terror forms in liquid slums
Dictators' ships supplied at all costs
Sulphur spots and rising tides
Fetid chancellors of taste
Lowest counts since moonman walked on all fours

Understanding formation and evolution
Starburst galaxies and population
Energy budgets of luminosity
Occurring daily to gauge determination
