

Ex Lion Tamer

Wire

There's a great danger,
For the loneliest ranger of all,
No silver bullets,
Tonto's split the scene.
Next week will solve your problems,
But now,
Fish fingers all in a line,
And all the milk bottles stand empty,
Stay glued to your T.V. set.
There's great danger,
At hand most caped crusader of all,
No cloak of justice,
Robin's flown the nest.
Next week will solve your problems,
But now,
Fish fingers all in a line,
And all the milk bottles stand empty,
Stay glued to your T.V. set.
