

## Hung

Wire

The clouds were high  
And the jury was hung

In a moment of doubt  
The damage was done

Trust was lost  
And the wheels had spun

In a moment of doubt  
The damage was done

In a moment of doubt  
The damage was done  
In a moment of doubt  
The damage was done

In a moment of doubt  
The damage was done  
In a moment of doubt  
The damage was done
