

## It's a Boy

Wire

Hook fear lashing  
Spit-gas sinking  
Tired reflections  
In a broken eye

You're a strange one  
Are there any more like you?  
You're a rare one  
I want one too

Head collections  
Private view  
Flood damaged  
In a baby plague

Effete means funny dreams  
Offence on refusal  
Look out Dr. Up  
It's a boy as usual
