

Joust & Jostle

Wire

The joust and jostle
Cooking, rolling
Bingo bombing
Off the wall plane
The reason that you're late
I don't speak to them
Winding up they, smell defeat
Crumble dice games
To the [?]
Ice climb dancing
Dancing shoes on
Whistle for love song
Game is on the move
In a place in which
We belong

The Flying Dutchman
Touches land, he

Tends the land
The lunar land
But the [?]
Touches gently
It's that moment
Safe from hazard [?]
Make her stronger
Way that type is
I'm in love with you
Cross our hearts and
Hope to die
The love we're hoping
Start to fly
