

## Single K.O.

Wire

I've found something  
No one else is looking for  
I've found something  
That there's no use for

And] what's more  
I'm keeping it to myself

I'm leaning over backwards  
Shoulders pressed to the floor  
I'm leaning over backwards  
Shoulders pressed to the door

Two falls or one submission  
Or a single K.O.  
Two falls or one submission  
Or a single K.O.  
But what's one submission  
Amongst friends?
