

Straight Line

Wire

My mind is unwilling and your flesh is so weak,
Do my movements betray the secrets I think,
I always stand by walls and try to humour fools.
Am I moving in a straight line?

Oh it's unlust and the one dimensional boy,
Oh it's unlust and the one dimensional boy,
Oh it's unlust and the one dimensional boy,
Oh it's unlust and the one dimensional boy.
