

## This Time

Wire

Some folks believe in magic  
Does voodoo-hoodoo do it for you?  
Some folks claim they know all the answers  
And for a price they'll share them with you

This time it's going to be better  
This time I'm going to be strong  
This time I refuse to get bitter!  
Even though I knew you were wrong!

Some folks have the gift for living  
Others make a living hell  
Some folks take love as a given  
And can't stop falling under its spell

This time it's going to be better  
This time I'm going to be strong  
This time I refuse to get bitter!  
Even though I knew you were wrong!
