Cap City

Wisdom In Chains

Here we go again!
here's another story bout a Friday night,
it was cold February Ohio night,
we were headed 80 west not a pig in sight.
Trying to get Columbus by daylight.
quick stop in Clearfield to pick up skams.
Nick Giocka was there and the rest of the band.
but Friday night never go as planned.
it was the last great trip in the wisdom van.
we left town on a Friday
so we could reach cap city by Saturday.
Now we're thinking hard cause we really gotta find a way
to get back to Stroudburg by Sunday.
Pulled up to Joey Knuckles at 5 am
Richie Krutch crashed out in the back of the van
but when he started sleeping
the city started creeping.
Richie woke up to the sound of rubber screeching.
My dog is a soldier so he jumped up.
some dude was driving like he paid for the truck.
Richie grabbed him by the throat and began to smash
cause he's the type of brother that will go out blasting.
we left town on a Friday so we could reach cap city by Saturday
now we're thinking hard cause we really gotta find a way
to get back to Stroudsburg by Sunday.
Richie Krutch woke up in a fight today
and the van got smashed on the highway.
you don't wanna test Richie on any day.
but that's enough of Columbus for one day.

Don't sleep when you're in cap city.
it's bad luck cause they creep all day.
don't sleep when you're in cap city if you do they'll make you
pay.

We left town on a Friday
so we could reach cap city by Saturday
now we're thinking hard cause we really gotta find a way
to get back to Stroudsburg by Sunday.
Richie Krutch woke up in a fight today
and the van got smashed on the highway.

but that's enough of Columbus for one day.
