

Peace to My Family

Wisdom In Chains

I'll fucking kill you
And I'll kill everything you love
if you ever try to fuck with me again
This is our story
So don't think for a second you're immune
to the common flaw of man

It goes "peace to my family,
death to my enemies" since the human race began
We are loyal and protective
But violence and vengeance
Can steer us directly to an end

So peace to my family, death to my enemies

Peace to my family
And death to my enemies

Peace to my family

Death to my enemies
