

## Beautiful But Unlucky

Wisdom

She's so beautiful but she's unlucky  
Every night she looks alright  
But she can keep the secret  
Bow for her name  
Rise and shine  
Baby you've got the look.\*2

A time to rise a time to go  
Baby comer i mean no danger  
A risen soul but unlucky  
Lonely marked with a daily hope  
Painted black, a legacy nooo  
I don;t know whats dark and bright  
She cries out loud, Lord help me  
She's so beautiful but she;s unlucky  
Yeah yeah yeah...

Her touching eyes, lonely hopes  
For a better girl like you  
Intimacy living, traumatizing  
Only you can take the road  
Come Monday come that  
No place to go  
Why why why why  
Who's losing? isn't she  
Stop calling coz she's got  
Something better better.
