

Back for Good

Wise Guys

I guess now its time for me to give up,
feel its time, got a picture of you beside me, got you lipstick
mark still on your coffeecup,
oh yehhh, got a fist of pure emotions, got a head of shattered
dreams,
got a leave it got a leave it all behind me,

what ever i said what ever i did i didn't mean it,
i just want you back for good, wants you back for good,
when ever I'm wrong just tell me the song and i'll sing it, you
be right and understood,
see i want you back for good

underwhere but underline I figured out the story, it wasn't good,
but in the corner of my mind, i celebrate the glory, but that was
not to be.

in the twist of separation you excellent me and free,
can't you find can't you find little rumen side for me,

what ever i said what ever i did i didn't mean it,
i just want you back for good, wants you back for good,
when ever I'm wrong just tell me the song and i'll sing it, you
be right and understood,
see i want you back for good

and will be together this time is forever, we will fighting and
forever we will be,
so complete in all love we will never be uncovered again.

what ever i said what ever i did i didn't mean it,
i just want you back for good, wants you back for good,
when ever I'm wrong just tell me the song and i'll sing it, you
be right and understood,
see i want you back for good
