

# Hellhound

## Witchery

Drumming paws fill the night  
- stay low, stay outta sight  
Mark of prey came a birth  
- Canine horror sweep the earth

Hellhound on your trail  
Hellhound on your trail

The hunt - draws - closer...

Thought you're quicker, thought you're smart  
- can't move faster than the dark  
The Devil'll fight you tooth and nail  
- put the hellhound on your trail

Snapping jaws, the devil's might
